

A hand is shown interacting with a tablet. The tablet screen displays a complex financial chart with multiple colored lines (blue, green, yellow, red) and a grid. The background is dark, and the overall image has a blurred, artistic feel. A white rectangular border frames the central text area.

Top 4 Apps for valentine Days

- Domino's Pizza USA
- DoorDash - Food Delivery
- Starbucks
- SONIC Drive-In

CONCLUSION

1. By Using PostgreSQL analysis, we decided the following criteria to make our decision:
 - App Availability: All apps available in both – App store and Play store.
 - Price Range: \$0-1 range is minimum purchase fees per app.
 - AVG Rating: All apps that have ratings of 5 and 4.5 stars expected to last between 10-11 years.
2. Top 10 Apps recommendations:
 - Selected only apps that have a star rating of 5.0 and above 4.5.
3. Why should invest in these apps:
 - Gaming Apps with a focus on multiplayer experiences and in-app purchases.
 - E-commerce Apps that offer a seamless shopping experience and a broad product range.
 - Food Delivery Apps that offer a fast and reliable delivery service.
